Rennie Grove Hospice Care is a registered charity offering services to support local patients diagnosed with cancer and other life-limiting illnesses and their families. By offering a 24 hour responsive hospice at home service in combination with other services such as day hospice to support patients and families, we allow our patients to choose how and where they want to be cared for towards the end of life. We rely on the generosity of the general public to fund around 85% of our £7.2 million annual costs. Please support the Rennie Grove nurses by sponsoring me!
